Improving the world through engineering

Blaser Swisslube AG produce a variety of coolants, oils and lubricants for use in the machining industry. The IMechE Switzerland Group will visit their site in Hasle-Rüegsau near Burgdorf to learn more about their products.

This visit has been kindly organised by Bob Seach.

The tour will last approximately 2 hours. Afterwards there will be the possibility to visit the Emmental show dairy, which is located nearby, for a quick viewing and refreshments.
